Philosophy :-

We believes that nursing is an art & science which needs excellent knowledge & skills to handle the people in hospitals & community also nursing education & training bring all round development of the students.

We recognize that exposing the students of vast clinical experience is essential to develop their skills & to practice their profession effectively.

We realize that communication skill facilities the students to develop co-operation with the health team members & to provide therapeutic care to the patients as nursing is interdependent profession.

We promote personal & professional growth of the students & faculty which intern supports the institutional growth.

We believe that nursing is a service to the humanity, hence students to prepared with desirable attitude, ethical, & moral values which will uplift the professional standard.

DINS

“Education is the all –round drawing out of the best in child and man-body , mind and spirit“ ----- Mahatma Gandhi.

As per demand of the citizen of malda district has constructed a Multispeciality Hospital at 19, B.G . Road , Mokdumpur ,Englishbazar malda named as Dishari Health Point Pvt.Ltd. The Hospital is operational with OPD and 150 indoor beds since February 2004 . It is a dream project of Dr Manabesh Pramanik & Dr Satya Narayan Sharma towards extending curative health services to the citizen of malda district and the neighbouring areas. As a sequence of the dream project , it was necessary to open a Nursing Institution for nursing education and placement in the hospitals of Dishari Health Point Pvt.Ltd as well as in other hospitals. This unique endeavour of Dr. Manabesh Pramanik & Dr. Satya Narayan Sharma towards the health sector started in year 2021 . & Planning to open many educational units in various parts of west Bengal Soon.

The students will get best of learning from the reputed faculty and best hands on training at the Dishari Health Point Pvt.Ltd.. Malda medical Hospital & from the community settings
